

Pushing through each of the blockages towards a vision of multiplication

1. Spiritual opposition

- a. How much are you praying?
- b. Do you have a prayer team?

2. Lack of vision

- a. Knowing and communicating your why
- b. Doing your research - understanding the risks of choosing multiplication and not choosing multiplication.
- c. Communicating clearly and consistently a vision for multiplication
- d. Keep it on the agenda
- e. Show some backbone and some strong leadership when things get tough. The default trajectory of any church is always to comfort and safety. The role of a leader is to lead people towards faith and mission.

3. Lack of leaders

- a. What needs to change so that you have enough time to develop leaders?
- b. Do you have a clear and replicable process for developing leaders?
- c. Have you created space for new leaders to step into? Or are they the same ones you have had for 20+ years?

4. Lack of Resources

- a. How is your vision reflected in your budget?
- b. Who are some earlier adopters in your church who you could tap on the shoulder?
- c. How much of your week is dedicated to multiplying? And how much is dedicated to doing the work?
- d. Who are some other local churches or ministries that you could partner with?
