

JAMES COX

Professional Pastoral
Supervisor

When was the last time you had a conversation with someone who just seemed to understand ministry, with its sacrifices and joys?

Given my life experience and work history, I feel very at home with those in Christian ministry. I'm passionate about supporting you as a Christian leader and the people you care for.

Whenever you talk with me, I hope you will feel supported, challenged & better aligned to your vision. Mostly, I hope you are reminded of who God is and how He wants to work through you.

Do you like working with sounds, images and other creative options? These can easily be brought in to your Supervision sessions. But if that doesn't float your boat, we can stay well away from all that!

You may notice me drawing on concepts from the Bible, Spiritual Mentoring, Theology, Person-Centred Practice and Adult Education. And you'll find a free space to "go there" if you need to - issues like burnout, sexual integrity, and mental health concerns are close to my heart.

My favourite person in the world is my wife, closely followed by our kids. We absolutely love living in Geelong, and in my leisure time you'll find me reading a novel or enjoying some exercise.

If this sounds like a good fit for you, let's talk some more.
