

## SMALL GROUPS THAT NURTURE FAITH

### SHARING YOUR STORY

- What stories of impact of small groups can you recall from your own experiences?
- What does a typical small group look like in your context?

.....

.....

.....

- What unique challenges and opportunities do you see in implementing small groups in your context?
- *Eg . For those with ministry in schools (like SRE or lunchtime groups): How do you structure small groups within a school setting?*
- Some kids or youth groups are small by nature. How can you leverage the intimacy of a smaller group to foster deeper connections and discipleship?

.....

.....

.....

.....

.....

.....

### PRACTICAL IDEAS

- Preparation and Intentionality
  - Active Listening
  - 1. Know your group
  - 2. Know your purpose
  - 3. Know what's happening
- Make up of Small Groups
- Navigating tricky situations
- Managing ad hoc groups
- Group Leadership

### REFLECTION QUESTIONS

- How can you ensure that your small groups are both practically engaging and spiritually enriching for children and young people?
- What are some specific steps you can take to improve the effectiveness of your small groups or to implement small groups if you don't currently use them?
