

Baptist Core 5 - Personal Reflection

After reading through the Baptist Core 5 values, reflect on the following questions:

1. What are your initial impressions of these values as a whole?
2. How biblical do you think they are?
3. To what extent are these values your values? Where are they the same, and where might they be different?
4. How closely do you think they reflect our values as a church community?
5. Do these values hold any challenges for us as a church?
6. What will you take away from this as we dream about the vision and future of our church?
